

Plan – Team Austria – Contact Days April 2011

Subject: Lesson: “Is Finland becoming more international?”

Present: Sonja Baier & Sylvia Joech

Lesson Plan

Preparation:

We need flip-chart paper and pens for 3 groups, 3 scissors and 3 tubes of glue.
Name stickers for all (we prepare them ourselves).

Magazines / newspapers => we bring them

Before the lesson starts we will arrange the tables for 3 groups.

Students enter and choose a table.

Lesson:

2 minutes

Introduction of ourselves

5 minutes

Explanation of the topic and the procedure, handout of several magazines and newspapers

20 minutes

Each group should find some pictures and/or headlines corresponding to the topic “Is Finland becoming more international?”. Now they cut out the found pictures or headlines and create a poster with them as well as own ideas (own words written with the pens).

30 minutes (10 minutes for each group)

After finishing each group presents their posters with explanation of their work. Following there will be some discussion with all students.
