Welcome to our  
workshop!

## Workshop: “Finland is becoming more international”?

### How to process:

After formation of the three groups every group has to do the following:

1. Mark out one member of your group for being the time manager, one for being the writer of the poster and one for being the presenter.
2. Do a brainstorming concerning the topic. Use the newspaper and the printed articles. Cut out the - in your opinion – important headlines.
3. Create a poster with the cut headlines and articles. Complete your work with your own minds and ideas.

**Timing for point 1 – 3 = 25 minutes**

4. Each group presents its poster all of us.

**Timing for each group = 7 minutes**

5. Discussion and Feedbacks
